

The School

The International Language Institute of Massachusetts, Inc. (ILI), founded in 1984, is a private, non-profit language school located in Northampton, MA. The school offers a small Intensive English Program, World Language classes, a Teacher Training program, Volunteer Tutor Program, Professional Development workshops and free ESOL (English to Speakers of Other Languages) for immigrants and refugees. It also provides the language program and teacher training for Hampshire College in Amherst and teaches on-site at area companies and organizations. ILI is accredited by the Accrediting Council for Continuing Education and Training, a nationally recognized accrediting agency and a member of AAIEP (American Association of Intensive English Programs).
